

Patient Rights and Responsibilities

As a patient of Brookings Chiropractic Center, I have:

- The right to know about philosophy and characteristics of the Practice
- The right to have personal health information shared with the Practice only in accordance with state and federal law
- The right to identify the staff member of the Practice and their job title, and to speak with a supervisor of the staff member if requested
- The right to receive current information from the Practice
- The right to decline, revoke consent or dis-enroll at any point in time from the Patient Centered Health Care Home
- The responsibility to submit any forms that are necessary, to the extent required by law
- The responsibility to give accurate clinical and contact information and to notify the Practice of changes in this information; **and**
- The responsibility to notify their treating clinician(s) of their participation in the PCHCH, if applicable.

I have read and understand my rights and responsibilities as a patient as noted above.
